Dear Shri Shyam sundar

I thank you for your letter dated 17.11.2007.

We thank you for all the assistance you have rendered us for our legal requirements at Chennai. A special thanks is due for your meticulous work for scrutiny of Annanagar property where your due diligence established that the property which was highly valued did not have clear title.

We look forward for continued association with you for our legal requirements.

Thanking you.

Yours sincerely,

(T.K.PRAKASH)
