KNOWLEDGE INPUTS FOR ALL CREDIT OPERATIONAL STAFF IN LEGAL AREAS

I am extremely thankful to you for having taken up the onerous responsibility of conducting three workshops for around 120 officials handling Credit Portfolio in the Mid Corporate Group, Chennai and Coimbatore comprising of ten branches spread across Tamilnadu. The programmes were specifically designed and focussed on how to identify fake title deed documents, how to conduct proper due diligence including on-line searches, general templates and other legal operational issues. It was extremely well received and the interactive sessions added considerable value to the deliberations.

The informative presentation and the CD containing vital inputs and tips to the dealing officials for taking adequate precautions in handling technical issues at all stages of sanction, supervision and conduct of advances is an extremely valuable and handy tool in day-to-day operations. I am happy to inform you that the same has been circulated amongst other Regions of Mid Corporate Group all over India.

I thank you for the personal efforts and keen interest taken in handling the sessions. I wish you many more laurels in the years to come and it is my desire that our association will be a long and rewarding one.

With warm regards, I remain

Sincerely yours,

Chief General Manager (MCGRO)
